Tempo

WHAT OUR CHARITIES, COMMUNITY GROUPS AND VOLUNTARY ORGANISATIONS SAY

"Tempo gave our residents a chance to take pride in where they live and reduce social isolation by spending time together within nature whilst earning credits to use on new and exciting opportunities."

Shelter Scheme, Wales

"Involving Medway is about trying something different in order to support and sustain a healthier local community, which we believe will help take some of the pressure off our primary and acute health services in the area."

NHS Medway

"There's not many things you have available to say thank you to volunteers and this is a real thing to change the culture, to let volunteers accept that thanks. This is really helpful to me, it's a great scheme so thank you."

Cornwall Council

“

"I wasn't sure at first how easy it would be to implement, but the Tempo team made it so easy and there was lots of interest from volunteers right from the start."

Age UK, London

”

"Their approach has been to genuinely involve service users in their project from planning through to delivery and enable people to share their skills with others."

City of Westminster

"The Time Credits really helped with volunteer retention as well as recruitment of younger volunteers who love spending their credits at the cinema and gym."

Friends of City Gardens (FOCG)

"Supporting the residents to engage in voluntary work and being able to acknowledge and reward them is a massive boost to their confidence, self esteem and wellbeing."

Cosgarne Hall, Harbour Housing

"We have attracted so much interest from them (the credits) it has helped us to secure a grant to continue with our work and support our local community further."

Golden Lane Bangers, London

"A really good idea and a way of saying thank you to our volunteers for the time they were spending on improving the local environment."

Keep Grangetown Tidy community litterpicks

"We wanted to show our appreciation to the volunteers for their hard work and dedication. Teaming up with Tempo has enabled us to do this."

Old Royal Naval College, London
